14. **the ant and the grasshopper story**

Once there lived an ant and a grasshopper in a grassy meadow.

All day long the ant collected grains of wheat from the farmer's field far away. She would hurry to the field every morning, as soon as it was light enough to see by, and toil back with a heavy grain of wheat balanced on her head. She would put the grain of wheat carefully away in her larder, and then hurry back to the field for another one. All day long she would work, without stop or rest, scurrying back and forth from the field, collecting the grains of wheat and storing them carefully in her larder.
